17th Annual Fundraiser and Women's Brunch

September 29, 10 am - Noon
Riverside Golf and Country Club

Providing Help, Creating Hope

As a supporting partner, you can help struggling women and children.

For 32 years, NCC has provided mental health services to low-income women and children.

- Since 1986, NCC has assisted over 15,000 people build a stronger life and future.
- Depression is the leading cause of disability in women.
- One in five children in Oregon live below the federal poverty line - that's nearly 200,000 kids.
- Half of all chronic mental illness begins by the age of 14.
- More older women need mental health services due to ongoing impacts of the Great Recession.

The Circle of Strength Fundraising Brunch

Every fall a group of dedicated women gather to raise hope and money for the counseling needs of low-income mothers and their children. Proceeds from The Circle of Strength assure women and children receive quality and timely mental health services in a caring and compassionate environment.

The Center provides poor, uninsured, and underinsured women and children with:

- Individual and family counseling
- Affordable, integrated medication management
- Effective parenting and life skills
- School consultation
