

## Bulletin Announcement

Did you know that Oregon is ranked dead of all states in access to mental health care? The Northwest Catholic Counseling Center (NCC) is a local non-profit addressing this dire need by offering mental health services to individuals who are without insurance or have little to no income. On November 27, NCC is participating in the 2018 Giving Tuesday Campaign, a worldwide fundraising event that follows Black Friday, Small Business Saturday, and Cyber Monday. All the money NCC raises on Giving Tuesday will cover the costs of counseling for members of our community who are unable to access care because of financial barriers. Learn how to help raise awareness or donate by visiting [www.nwcounseling.org/giving-tuesday](http://www.nwcounseling.org/giving-tuesday). This Giving Tuesday, you can be a part of a local movement that believes access to mental health care is a human right, not a privilege only for some.
