Every fall a group of dedicated women gather to raise hope and funds for the counseling needs of low-income mothers and their children. For the 21st year, we are hosting a virtual fundraiser with all proceeds assuring women and children receive quality and timely mental health services in a caring and compassionate environment.

Since 1986, NCC has assisted over 20,000 people build a stronger life and future. Thanks to your support, the Center provides poor, uninsured, and under-insured women and children with:

- Individual and family counseling
- Linguistically and culturally appropriate therapy for Spanish-speaking clients
- Effective parenting and life skills as well as workshop opportunities
- Onsite counseling in partnering schools for students who are struggling

A SOURCE OF STRENGTH, A LIGHT OF HOPE
