# Circle of Strength

## 24th ANNUAL WOMEN'S FUNDRAISER

**September 27, 2025 | 10 AM-12 PM**

The Madeleine Parish Hall  
Portland, OR

Every fall, a group of dedicated women gather to raise hope and funds for the counseling needs of low- income women and their children. All the proceeds ensure that women and children receive quality and timely mental health services in a caring and compassionate environment.

Since 1986, NCC has assisted over 25,000 people to build a stronger life and future. Thanks to your support, NCC provides financially-insecure, uninsured, and under-insured women and children with:

- individual and family counseling
- linguistically and culturally appropriate therapy for Spanish- and Mandarin-speaking clients effective parenting and life skills workshops
- on-site counseling in partnering schools for students who are struggling

### A SOURCE OF STRENGTH, A LIGHT OF HOPE

NCC provides equitable mental health care and offers sliding scale fees to anyone in need. As a supporting partner, you can help struggling women and children access mental health care and find the strength to heal.

- **Oregon women have the highest incidence of reported depression in the country.**
- **Nearly a third of Oregon's women and girls are struggling to make ends meet. As a result, most cannot cover an unexpected expense of even \$100 without having to sell something or borrow money.**

*The need is great.*

*Join us in creating a circle of strength.*
